ABOUT US

3CF is brainchild of an Ex-beauty queen, an IT Consultant and a lawyer. Her early Childhood Challenges enabled her to have passion for Humanity. The Organization was established by **Barrister Ugonna .N. Oriala**, with a distinguished Board of Directors and trustees. Our organization is built on hope and the belief that children can make a different.

In 2006, we conceived of an organization that could impact on the lives of orphans and vulnerable Children in Nigeria; our dream came to past and we became Federally recognized Non Profit Organization.

We are duly registered with Corporate Affairs Commission Nigeria (**CAC No: 30759**) and other Government Agencies like National Planning Commission, Nigeria Ministry of Women Affairs: Child Development, Ministry of Education.

We work in partnership with some local NGO'S and also coalitions local NGOs e.g Association of OVC, NGO'S in Nigeria (AONN) Civil Society Network on HIV /AIDS in Nigeria, Rahi Medical outreach etc.

MISSION

To empower Orphans and Vulnerable Children through education and support e.g capacity building programmes, advocacy, micro finance health seminars / support, post conflict, and natural disasters mentorship.

VISION

Creating skill and building capacity among the Orphans and Vulnerable Children in Nigeria, where all Challenged Children have access to affordable education and health care.

WHERE WE ARE:

Challenged Children Charity Foundation (3cF) Mission is to support education in the rural Communities in Nigeria. We have focused our main efforts in the Northern area; Kuchigworo Village in the Federal Capital Territory, Abuja Nigeria. We have developed relationships with community members on our project “**REACH FOR THE STARS**” in kuchigworo Village and an Orphanage called Mother Theresa Children Home, Gwarinpa F.C.T, Abuja.

PROJECTS

- Kindergarten-Nursery and Primary Scholarship to Orphans.
- Food Support Programs to Challenge Persons in Rural Areas.
- Provision Of Vital Health Services to Vulnerable Children.
- Vocational Skill Scholarship for Children through a Talent hunt concept termed “**Reach for the Stars**”.
- To enhance Reading and Speaking Skills through the issuance of Books and organizing debate competitions among the Children.
